THREE-YEAR OLD PROGRAM - 2024

An enrolment fee of \$200 is payable for your child to be formally accepted to join this program. This fee is deducted from your first Annual Fee Statement once your child reaches Kindergarten the following year. This fee is non-refundable if the child does not attend.

The Three-Year Old Program cost is **\$80 per day**.

Students attending at the beginning of Term 1 for one day per week (based on 39 weeks per year) will be charged \$3,120.00 for a full year.

Students starting during the year are charged on a pro-rata basis for the remainder of the year.

Please note that once a student commences in the program they are charged for all sessions for the year, including sessions they do not attend through absence such as sickness or vacations. This program is completely self-funded, as there are no government benefits that are available to support a Three-Year-Old Program.
